Subject: Nomination for Participates for the Training Programs to be held in December 2021

Dear Colleague/

Greetings from BASM.

You are aware that Bangladesh Academy for Securities Markets (BASM), the academic wing of Bangladesh Securities and Exchange Commission (BSEC), has geared up its training activities since June 2021 with a view to educating the investors and enhancing the skill of officials of market intermediaries. However, we could not run our training programs smoothly as scheduled due to emergency health reasons. Since the govt. has been able to bring the situation gradually under control, that's why we have decided to start our activities with a new vigour.

We have also decided that every month we shall be sending you a letter containing our scheduled training programs for the month, so that you can nominate relevant participant from your organization. Any relevant organization/individual can also perform training registration on-line (in addition to off-line).

Our schedule for the month of December 2021 is given below:

Name of the Training	Duration	Timing	Level of Participants
1. Investors Training Programs	2 days/6 hours December 22-23, 2021	03.00 p.m. – 06.00 p.m.	Investors (Preferably New)
2. Training for Authorized Representatives	5 days/15 hours December 26-30, 2021	03.00 p.m. – 06.00 p.m.	Authorized Representatives (ARs)

We request you to nominate relevant investors/officials of your organization to participate in the training programs.

Best wishes,

Dr. Toufic Ahmad Choudhury
Director General
